Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Vertigo

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Cold & Cough

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Headache

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Acidity

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Constipation

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Diarrhea

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Diabetes

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

High Blood Pressure

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Low Blood Pressure

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Asthma

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Bronchitis

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Allergy

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Sinusitis

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Back Pain

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Neck Pain

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Joint Pain

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Arthritis

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Muscle Cramps

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Obesity

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Weight Gain

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Weight Loss

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Insomnia

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Stress

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Anxiety

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Depression

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Heart Palpitations

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Cholesterol

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Anemia

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

Thyroid Issues

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.

PCOS

Common Symptoms: Typical symptoms may include discomfort, pain, fatigue, dizziness, inflammation, sleep disturbance, digestive discomfort, or functional difficulty depending on the condition.

Allopathy – Commonly Referenced Medicines (Doctor Prescribed): Paracetamol, Ibuprofen, Antihistamines, Antacids, Antibiotics, Metformin, Amlodipine (examples only).

Homeopathy – Commonly Referenced Remedies (Qualified Practitioner): Belladonna, Nux Vomica, Arnica Montana, Bryonia, Pulsatilla, Rhus Toxicodendron (examples only).

Recommended Fruits: Apple, Banana, Papaya, Orange, Pomegranate.

Recommended Vegetables: Spinach, Carrot, Beetroot, Bottle gourd, Tomato, Broccoli.

Non-Vegetarian Foods (Optional): Fish, Eggs, Lean chicken (as per medical advice).

Exercise: Walking, light stretching, posture correction, gentle strengthening exercises.

Yoga (Types & Practices): Tadasana, Bhujangasana, Vajrasana, Balasana, Sukhasana, Anulom-Vilom, Bhramari Pranayama, Meditation.

Important Note: Seek immediate medical attention if symptoms are severe, persistent, or worsening.
